THE EDEN BAR GIN

Beefeater 24 (UK)

16

Made in the heart of London from 12 hand-selected botanicals, including Japanese Sencha and Chinese Green teas, it is a sophisticated and modern London Dry Gin, designed to inspire mixologists around the world.

Bisbino (CH-Ticino)

16

This Gin is intimately linked to the mountain it is named after, Monte Bisbino, which is the inspiration for its history, its character and its structure!

Bombay Sapphire (UK)

15

Its name originates from the popularity of gin in India during the British Raj and "Sapphire" refers to the violet-blue Star of Bombay on display at the Smithsonian Institution. Bombay Sapphire is marketed in a flat-sided, sapphire-coloured bottle that bears a picture of Queen Victoria on the label.

Turicum Dry Gin (CH-Zürich)

18

Turicum Gin is a highly awarded alcoholic product, which is produced in small series. Its ingredients come mainly from Zurich. In addition to juniper, lime blossoms, rose hips and also citrus zests are used for its production.

Brockmans (UK)

19

Created by a group of friends with a passion for gin and an array of drinks industry experience! Botanicals are soaked in pure grain spirit for several hours before distillation in a 100-year-old traditional copper still. Expect exquisite aromas of coriander, blueberry, blackberry and, of course, juniper.

Gin Mare (SP)

18

Gin Mare is a Mediterranean Gin which combines botanicals from various cultures around this region to create an unusual and distinct character. It includes botanicals like Basil from Italy, Thyme from Greece, Romero from Turkey and Citrus from Spain.

Hendrick's (UK)

17

Hendricks is an iconoclastically produced small batch gin distilled in Ayrshire, Scotland. The unusual distillation process combined with the oddly delicious set of infusions yields a one-of-a-kind gin that is passionately loved by a tiny yet growing handful of individuals all over the world.

Le Tribute (SP)

18

Le Tribute Gin is the freshest release to pour from the stills of Destilerias MG, a family run distillery in Vilanova, a quaint fishing village based around 50km from Barcelona. The Gin has an incredibly bright, citrus nose. It's fleshy and fruity, with the lime, lemon, grapefruit and orange.

Morgentau (D)

18

With Morgentau everything first results in a unique gin. The success of the Freudenberger Distillery Ziegler is infused with our famous Morgentau tea. This gives the gin its unmistakable taste: green tea with a hint of mango meets juniper. These aromas caress the gin and make it unique and perfect.

Monkey 47 Gin (D)

18

Most people who have tried this gin would rate it as one of the best gins in the world. Monkey 47 is made from 47 different botanicals and is also bottled at 47%. Smooth, complex and full of flavor.

Roku (JP)

17

A complex Japanese gin with refreshing yuzu citrus top notes and a spicy shansho pepper twist. Roku means 'six' in Japanese and refers to the six local, seasonal botanicals which complement eight traditional gin botanicals and give this spirit a distinctly Japanese character. The Japanese botanicals are: sakura flower (cherry blossom), sakura leaf, sencha tea, gyokuro tea, sansho pepper and yuzu peel.

Saffron (F)

17

Saffron gin is produced in a traditional pot still by dijon micro distiller Gabriel Boudier, saffron gin is made using a 19th century Indian colonial recipe that contains nine fresh botanicals including juniper, coriander, lemon, orange peel, angelica seeds, iris, fennel, plus saffron which gives a delicate spicy character.

Tanqueray Dry (UK)

15

Tanqueray London Dry Gin is the original variant of Tanqueray, launched in 1830; the key botanicals are juniper, coriander and angelica root. A high quality gin.

Tanqueray no. Ten (UK)

17

Tanqueray No. TEN takes its name from 'Tiny Ten', the nickname of the small copper pot still where every drop is produced, but there is nothing minor about its flavour. The only gin made using whole citrus fruit, including white grapefruit, lime, and orange, along with juniper, coriander, and a hint of chamomile flowers.
